

Remarks

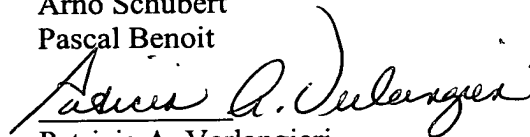

The specification has been amended to include a reference to the priority application.

Claims 1-14 are currently amended to remove multiple dependencies, reference indicia and transitional language in order to meet the requirements of the United States Patent and Trademark Office.

To meet the requirements of the United States, the Abstract (as filed in the published PCT application) is amended to remove reference indicia.

No fee is believed to have been incurred by virtue of this amendment. However if a fee is incurred on the basis of this amendment, please charge such fee against deposit account 07-0832.

Respectfully submitted,
Arno Schubert
